Percussion Ensemble

Modern Times

Howard J. Buss
1996

Brixton Publications
4311 Braemar Avenue
Lakeland, Florida 33813
\$38.50 score and parts

Lakeland Florida composer Howard Buss wrote both the verse and music for this outstanding 30 minute chamber work composed for 4 percussionists, flute and narrator. The composition is written in 8 movements and certain movements could be left out if a shorter work is needed on a program. Modern Times should be classified as medium-difficult for a university level group and equipment requirements are fairly standard. The work is well-paced, colorful and accessible to audiences not familiar with complex percussion literature. This is truly one of the finest works in our idiom and could easily become a percussion ensemble standard. Brixton Publications has kept the price at a very reasonable \$38.50 including score and parts.

A Work in Progress

Neil Peart

1996

Warner Bros. Publications, Inc.
15800 N.W. 48th Avenue
Miami, Florida 33014
\$59.95

This two volume set runs a total time of 3 hours and 40 minutes. The work is an outstanding documentation of Neil Peart's drumming philosophy and "work in progress" while recording Rush's album, Test for Echo. Neil discusses his recent study with Fred Gruber, approach to setting up his drums, and provides an in-depth analysis of his performance in relation to each song on Test for Echo. The photography, pacing and editing of this highly instructive video is excellent. Highly recommended for public and school libraries, as well as individuals. **A Work in Progress** is reasonably priced at \$59.95.

Billy Cobham provides us with a book of scores representing the best of his past recordings that we can read and play along with. Each song includes a rhythm chart, detailed drum transcriptions, score and lead sheets for C, B-flat, and E-flat instruments. Mr. Cobham also gives instruction comments on each piece. Compositions include: Stratus, Red Baron, Crosswinds, Red and Yellow Cabriolet, Mushu Creole Blues, etc. This text and CD should provide many productive hours of practice and study.
